

COLOR CODE CALENDAR

A 3x4 grid of 12 color code calendars. Each calendar is a 6x7 grid of colored squares. The top row of each calendar is mostly empty, with a few colored squares in the last two columns. The remaining rows contain various combinations of colors. To the left of each calendar is a small legend with two colored squares. The colors used include black, brown, red, orange, yellow, green, blue, purple, grey, and white.
